

<b>1</b>	<b>IDENTIFICATION OF THE CHEMICAL AND OF THE MANUFACTURER, IMPORTEUR OR OTHER UNDERTAKING</b>	
1.1	Identification of the substance or preparation	
	Trade name	Dulon® II
	Code of the preparation	
1.2	Identification of the manufacturer	
1.2.1	Manufacturer	Dulon International BV
1.2.2	Street address	Rouwkooplaan 5
	Telephone number	+ 31 - 71 3319288
	Telefax	+ 31 - 71 3319287
	E-mail	<a href="mailto:info@dulon.com">info@dulon.com</a>
	Website	
	Name & address in emergency cases	National Poisoning Information
	Emergency telephone number	+31 - 30 2274888
		(only accessible for attending physician in case of occasional poisoning)

<b>2</b>	<b>COMPOSITION AND INFORMATION ON INGREDIENTS</b>	
2.1	Preparation	According to guideline 1999/45/EC this product does not have to be classified as a dangerous preparation. Information relating to dangerous ingredients : Hydrocarbon solvent, vp<55 C : 5-15 % XN, R22 Professional exposure limits are, when necessary, shown

<b>3</b>		
3.1	Environment risks	ecological information of this product is not known.
3.2	Health risks	hardly any danger on usual industrial or commercial use.

<b>4</b>	<b>FIRST AID MEASURES</b>	
4.1	Special instructions	specific effects and/or symptoms are not known.
4.2	Inhalation	fresh air. If fast recovery does not occur contact a doctor.
4.3	Skin	rinse with water and soap.
4.4	Splashes in eyes	rinse with water for atleast 15 minutes. In case of continuous irritation contact a doctor.
4.5	Ingestion	drink lots of water and under observance of medical precautions arouse vomiting.
4.6	Other information	further treatment and observation symptomatic.

<b>5</b>	<b>FIRE-FIGHTING MEASURES</b>	
5.1	Flash Point	
5.2	Autoflammability	
5.3	Suitable extinguishing media	carbonic acid, foam, extinguishing powder, water. No other means of fire fighting necessary
5.4	Exposure hazards during fire	forming of carbon monoxide.

<b>6</b>	<b>ACCIDENTAL RELEASE MEASURES</b>	
6.1	Personal precautions	danger of skidding. Clean up spilled product immediately.
6.2	Environmental precautions	prevent dumping in aquatic environment.
6.3	Methods for cleaning up	mechanic absorption for spilled product or absorption with sandgrains.

<b>7</b>	<b>HANDLING AND STORAGE</b>	
7.1	Handling	in well ventilated room.
7.2	Storage	storage temperature 15-35 degrees.

<b>8</b>	<b>EXPOSURE CONTROL/ PERSONAL PROTECTION</b>	
8.1	Toxicological Information	not applicable
8.2	Respiratory protection	not applicable
8.3	Eye protection	safety goggles by bottling
8.4	Hand protection	rubber gloves by bottling
8.5	Skin protection	
8.6	Recommended ventilation	

<b>9</b>	<b>PHYSICAL AND CHEMICAL PROPERTIES</b>	
9.1	Physical state, colour, odour	Form: liquid Colour: white
9.2	pH# pH# when delivered	about 8 (unthinned)
9.3	Information on changes in the physical state	
9.3.1	Boiling point/ Boiling range	100 degrees
9.3.2	Flashpoint	95 degrees
9.3.3	Melting point	not applicable
9.4	Auto ignition point	
9.5	Partition Coefficient: D-Octanol/Water	not applicable
9.6	Vapour pressure	
9.7	Relative density	
9.8	<i>Solubility</i>	
9.8.a	Water solubility	emulses partially
9.8.b	Fat solubility	
9.9	Viscosity	about 150 mPa.s

<b>10</b>	<b>STABILITY AND REACTIVITY</b>	
10.1	Materials to avoid	keep clear it from oxidizing mate-rials.
10.2	Hazardous decomposition products	if correctly stored and manipulated, no known products.

<b>11</b>	<b>TOXICOLOGICAL INFORMATION</b>	
11.1	Information	By appropriate use there are no damaging effects known.

<b>12</b>	<b>ECOLOGICAL INFORMATION</b>	
12.1	Information	No information available

<b>13</b>	<b>DISPOSAL CONSIDERATIONS</b>	
13.1	Disposal	To be removed in accordance with local regulatios on chemical waste. Empty packing can be considered as a waste product.

<b>14</b>	<b>TRANSPORT INFORMATION</b>	
14.1	UN number	Not applicable
14.2	Packaging category	Not applicable
14.3	Land transport	Not applicable

14.4	Sea transport	Not applicable
14.5	Air transport	Not applicable
14.5.2	Correct technical name	
14.5.3	Other Information	DULON® Dulon II is not classified as hazardous for transport.

<b>15</b>	<b>REGULATORY INFORMATION</b>	
15.1	Information on the warning label	Labelisation according to the law of environmental dangerous materials. not classified as hazardous to users.
15.2	National regulations	Not applicable
15.3	Risk phrases	Non assigned
15.4	Safety phrases	2 keep out of reach from children 62 In case of swallowing do not stimulate vomitting, contact a doctor instead and show the packing or label.

<b>16</b>	<b>OTHER INFORMATION</b>	
16.1	Purpose of use	
16.2	Directions for use	data sheets providing directions for use are available from Dulon International.
16.3	Other information	To the best of our knowledge, the information contained herein is accurate. However, Dulon International assumes no liability whatsoever for the accurate of the information. Final determination of the suitability of any material is the sole responsibility of the user. All materials may present unknown and should be used with caution and in accordance with the recommended methodes of application.

**Reasons for the confidentiality of the information:**

The precise composition of this product is proprietary information.

More details will be supplied in confidence to qualified medical personnel if specific treatment is necessary.

We reserve te right to withhold information on the ingredients in the interest of protecting our formula.
